Media Release

Finalised approx. INR 70 Crore Order from Leading Material Handling Equipment Manufacturer

Mohali, 22nd August, 2025: Pritika Engineering Components Limited (NSE: PRITIKA), among leading manufacturers of tractor components in India, is pleased to announce that it has finalised a significant order worth approx. INR 14 crore per annum from country's leading Material Handling Manufacturer. This order has a long term visibility spanning over next five years with total value of INR 70 crores. This order represents a strong endorsement of the company's capabilities in delivering high-quality Large Components.

The order involves the supply of approximately 125 tons per month of new large components designed for Material Handling Equipment. These new components will weigh 500 kilograms underscoring Pritika Engineering's expertise in producing robust, heavy-weight products.

This latest order is a testament to Pritika Engineering Components Limited commitment to innovation and excellence in meeting the evolving needs of the automotive industry, particularly in the agricultural segment.

The order would be produced and executed by LFC process through our subsidiary Meeta Castings Limited.
